

Attachment 3 (for **passageway** only)

Affidavit for application for **passage** on national land (format draft)

I, for using the **surrounded** land of land Number ○○ in ○○**Subsection** ○○ **Section** of ○○ Village (Town, City, District), ○○ County (City) (referred to as 'surrounded land' hereinafter), am hereby applying for the passage right on the Administration's managed national land of land Number ○○ in ○○**Subsection** ○○ **Section** of ○○ Village (Town, City, District), ○○ County (City) (referred to as 'national land' hereinafter) with area of ○○ square meters (area as in attached map), and signing the affidavit for the agreement to abide by the following:

1. National land is for **passage** only.
2. I will be solely responsible for the damages incurred onto others or the branch office of the Administration for **passage** or constructing related facility for **passage**.
3. If the **passage is occupied** or obstructed and within the area of conserved land for aborigines to apply for addition (zoning), I must acquire the written consent of the occupant. **If the obstruction occurs on other lands, I will remove the obstruction myself.**
4. If I need to construct related facility for **passage**, I will acquire the consent of the supervisory agency and the branch office of the Administration. **The** cost of constructing related facility, safety during construction, and maintenance and management will be borne by myself.
5. When I apply for early return of the national land, except with the approval by the branch office of the Administration on keeping the related facility and bequeathed by me, the national land will be cleared and returned to the branch office of the Administration within the notified deadline.
6. After making payment for passage, fee refund is to be processed according to 'Operations Points on National Land Providing **Passage** Right'.
7. **If a new passage way to the surrounded land is created** in the future, I will be willing to notify the branch office of the Administration and comply with returning the national land to the branch office of the Administration and will absolutely not ask for any compensation.

8. If **there is** need for public use or action taken according to regulation on the national land in the future, I will be willing to comply with the branch office of the Administration to make changes or transfer ownership without contending or asking for any compensation.
9. If the ownership or right of usage of the **surrounded** land is changed resulting in change in the person of right of passage, I will not use the reason that I am no longer the owner or person of right of usage to apply for fee refund on the paid payment. **The** unpaid portion of the installment payments will be paid up at once by either myself or the new owner or person of right of usage at the time of applying for name change on the right of passage. **If** the application is not tendered, I, without any contention, will be responsible for continuing to make the payment.
