Scope of Major Infrastructure Projects under the Act for Promotion of Private Participation in Infrastructure Projects

1.Established and released by the Public Construction Commission, Executive Yuan through Letter (2000) Construction Tech No. 89031500 dated October 27, 2000.

2."Labor Welfare Facility Section" added and released by the Public Construction Commission, Executive Yuan through Letter (2001) Construction Tech No. 90022254 dated June 13, 2001.

3.Amended and released by the Public Construction Commission, Executive Yuan through Order (2002) Construction Tech No. 91026736 dated June 26, 2002 and enforced immediately.

4.Scope of major infrastructure projects regarding "environmental pollution prevention facilities" and "water conservancy facilities" amended and released by the Public Construction Commission, Executive Yuan through Order (2002) Construction Tech No. 09100520670 dated November 28, 2002 and enforced immediately.

5.Scope of major infrastructure projects regarding "labor welfare facilities" and "major industrial facilities" amended and released by the Public Construction Commission, Executive Yuan through Letter (2004) Construction Tech No. 09300159190 dated April 28, 2004.

6.Requirements about "social welfare facilities" amended and released by the Public Construction Commission, Executive Yuan through Order (2004) Construction Tech No. 09300255980 dated July 7, 2004.

7.Scope of major infrastructure projects amended and released by the Public Construction Commission, Executive Yuan through Order (2006) Construction Tech No. 09500069540 dated March 3, 2006.

8.Scope of infrastructure projects regarding "social welfare facilities", "major commercial facilities", and "agricultural facilities" amended and released by the Public Construction Commission, Executive Yuan through Order (2008) Construction Promotion No. 09700325080 dated August 12, 2008.

9.Amended by the Ministry of Finance No. Tai-Tsai-Cu-Tzi-10625524740, dated November 27, 2017 and implemented from the date of promulgation.

10.Amended by the Ministry of Finance No. Tai-Tsai-Cu-Tzi-10825513790, dated June 10, 2019 and implemented from the date of promulgation.

11.Amended by the Ministry of Finance No. Tai-Tsai-Cu-Tzi-11225526790, dated August 28, 2023 and implemented from the date of promulgation.

12. Amended by the Ministry of Finance No. Tai-Tsai-Cu-Tzi-11425536480, dated December 4, 2025 and implemented from the date of promulgation.

13. Amended by the Ministry of Finance No. Tai-Tsai-Cu-Tzi-11525507800, dated March 30, 2026 and implemented from the date of promulgation.

14. Amended by the Ministry of Finance No. Tai-Tsai-Cu-Tzi-11525510690, dated April 29, 2026 and implemented from the date of promulgation.

15. Amended by the Ministry of Finance No. Tai-Tsai-Cu-Tzi-11525523140, dated September 11, 2026 and implemented from the date of promulgation.

Types of Public Infrastructure	Definition set forth in the Enforcement Rules of Act for Promotion of Private Participation in Infrastructure Projects	Scope of Major Infrastructure Projects
Transportation Facilities	Article 2	I. Railways, highways, (metropolitan) expressways, public rapid transit systems, light-rail transportation systems and intelligent transportation systems where the overall investment (excluding cost of land) amounts to more than NT$1 billion. II. Transfer hubs that meet any of the following requirements: (1) The overall investment (excluding cost of land) shall amount to over NT$500 million. (2) The land area applied for development shall be more than half (0.5) a hectare. (3) The building site shall have more than 6,000 square meters and the total floor area of the building shall be more than 30,000 square meters. III. Airports and affiliated facilities that

		meet any of the following requirements: (1) The overall investment (excluding cost of land) shall amount to over NT$3 billion for the facilities and equipment for the embarkation/debarkation of passengers and cargo as well as facilities in the area where aircraft take off and land. (2) The overall investment (excluding cost of land) shall amount to more than NT$1 billion for the maintenance garages/docks, fuel supply and storage facilities, waste water treatment facilities, incinerators, facilities for value-added activities of air transportation, facilities for aviation training, hotels for transit passengers, exhibition centers, international convention centers, and parking lots. IV. Harbors and affiliated facilities where the overall investment (excluding cost of land) amounts to more than NT$1 billion. V. Off-street public parking lots that meet any of the following requirements: (1) Multi-storey parking facilities with a total floor area of over 8,000 square meters. (2) Parking facilities with lifts or towers with an overall investment (excluding cost of land) amount of more than NT$30 million. VI. Bridges and tunnels where the overall investment (excluding cost of land)

		amounts to more than NT$200 million.
Common Conduits	Article 3	Common conduits with a length of more than 2 kilometers or an overall investment (excluding cost of land) of more than NT$500 million.
Environmental Pollution Prevention Facilities	Article 4	Any one of the following environmental pollution prevention facilities: I. Facilities that are built with the participation of the private sector, designated by various levels of environmental protection authorities or by the competent central authorities of the relevant industries, for storage, removal, treatment or reuse of waste, where the overall investment (excluding cost of land) amounts to more than NT$100 million. II. Private incinerators that are established pursuant to the Guidelines for Promoting the Construction of Solid Waste Incinerators by Public and Private Institutions and where the overall investment (excluding cost of land) amounts to more than NT$400 million. III. Sites and affiliated facilities that are established with participation of the private sector under the guidance of all levels of construction competent authorities for storage and disposal of the earthwork left over from construction where the overall investment (excluding cost of land) amounts to over NT$100 million or where the daily process volume of earthwork amounts to more than 1,000 cubic meters.
Sewerage	Article 5	Sewage treatment plants and affiliated

Facilities		facilities where the daily process volume of sewage amounts to more than 10,000 tons.
Water Supply Facilities	Article 6	Water purification plants and affiliated facilities where the daily process volume of water amounts to more than 10,000 tons.
Water Conservancy Facilities	Article 7	Any one of the following water conservancy facilities: I. Water diversion facilities where the daily volume of diversion amounts to more than 100,000 cubic meters. II. Water storage facilities where the storage capacity amounts to more than 300,000 cubic meters. III. Seawater desalination plants and affiliated facilities where the daily production volume amounts to more than 2,000 cubic meters, or 200 cubic meters for those on Taiwan's outlying islands. IV. Water reclamation facilities (including reclamation water channel, catchment and reuse of rainwater, recycling and reuse of wastewater and sewage) where the daily volume of supply amounts to more than 2,000 cubic meters. V. Groundwater replenishment facilities where the daily volume of replenishment amounts to more than 10,000 cubic meters. VI. Flood or tide prevention facilities where the area of flood protection or mitigation amounts to more than 1 hectare within urban planning zones or more than five hectares within non-urban planning zones. VII. Water turbine generators, water generation plants and relevant

		distribution equipment, transformers and other facilities related to the development of water power where the combined output amounts to more than 2,000 horsepower and where the overall investment (excluding cost of land) amounts to more than NT$210 million.
Health, Welfare And Medical Facilities	Article 8	I. Sanitation and medical facilities that are established and approved in accordance with relevant laws and meet any one of the following requirements: (1) The location shall be in areas with insufficient sanitation and medical resources, as specified by central sanitation competent authority. (2) The land area applied for development shall be more than 2 hectares. (3) The overall investment (excluding cost of land) shall amount to more than NT$500 million. II. Medicament manufacturing factories of sanitation and medical facilities mentioned in the Paragraphs above are only applicable to vaccine production facilities. III. Long-term care service institutions with institutional residential services that are established and approved in accordance with relevant laws and meet the following requirements: (1) The overall investment (excluding cost of land) shall amount to over NT$350 million. (2) Provide residential long-term care services and have more than 100

		beds. (3) The total floor area of the institution is over 2,700 square meters, and the allocated area per person shall not be less than 27 square meters. (4) At least 15% of the approved bed capacity shall be reserved for government-funded placement.
Social Welfare Facilities	Article 9	I. Funerary and crematory facilities established and approved in accordance with relevant laws where the overall investment (excluding cost of land) amounts to more than NT$100 million. II. Any one of the following social housing: (1) The land area for social housing is more than half (0.5) a hectare. (2) The total floor area of the building calculated based on floor area ratio for social housing is more than 5,000 square meters.
Labor Welfare Facilities	Article 10	Any one of the following labor welfare facilities: I. Institutions and affiliated facilities for entertainment of the labor force established pursuant to Subparagraphs 1 and 2, Paragraph 1, Article 8 of the Act for Promotion of Private Participation in Infrastructure Projects (the "Act") where the overall investment (excluding cost of land) amounts to more than NT$300 million. II. Institutions and affiliated facilities for entertainment, training and education of the labor force established pursuant to Subparagraphs 4 and 5, Paragraph 1,

		Article 8 of the Act where the overall investment (excluding cost of land) amounts to more than NT$50 million.
Cultural And Educational Facilities	Article 11	Any one of the following cultural and education facilities: I. Public senior high schools, and schools of higher levels education, as well as the affiliated facilities, where the overall investment (excluding cost of land) amounts to more than NT$100 million. II. Public junior high schools or public elementary schools and the affiliated facilities where the overall investment (excluding cost of land) amounts to more than NT$50 million. III. Social education institutions, cultural institutions, education institutions as well as the affiliated facilities where the overall investment (excluding cost of land) amounts to more than NT$50 million. IV. Restoration, reuse, management, and conservation of monuments, historical buildings, commemorative buildings, and groups of buildings, as well as management and conservation of cultural landscapes where the overall investment (excluding cost of land) amounts to more than NT$50 million.
Audiovisual, And Music Facilities	Article 12	Facilities under this Article are not included.
Tourist Attractions And Lodgings	Article 13	Any one of the following facilities for Tourist Attractions And Lodgings: I. Facilities established in accordance with Subparagraphs 1, 2 and 4, Paragraph 1, Article 8 of the Act where

		the overall investment (excluding cost of land) amounts to more than NT$300 million. II. Facilities located in the remote areas specified central competent authority and established pursuant to Subparagraph 6, Paragraph 1, Article 8 of the Act where the overall investment (excluding cost of land) amounts to more than NT$300 million. III. Facilities established in accordance with Subparagraph 6, Paragraph 1, Article 8 of the Act where the overall investment (excluding cost of land) amounts to more than NT$1 billion.
Power Facilities	Article 14	Power facilities where the overall investment (excluding cost of land) amounts to more than NT$2 billion.
Green Energy Facilities	Article 15	Facilities under this Article are not included.
Public Gas And Fuel Supply Facilities	Article 16	Public gas and fuel supply facilities where the overall investment (excluding cost of land) amounts to more than NT$2 billion.
Sports Facilities	Article 17	Any one of the following sports facilities: I. Single-purpose sports facilities with a seating capacity of more than 3,000 where the overall investment (excluding cost of land) amounts to more than NT$250 million. II. Sports and recreation parks where the overall investment (excluding cost of land) amounts to more than NT$1 billion while the investment for sports facilities amounts to more than NT$300 million.
Parks And Green Spaces	Article 18	Facilities under this Article are not included.

Industrial Facilities	Article 19	Telecommunication parks that are established pursuant to Subparagraph 6, Paragraph 1, Article 8 of the Act and meet the following requirements: I. The area of development shall be more than 7 hectares. II. The overall investment (excluding cost of land) shall amount to more than NT$3 billion. III. Telecommunication platform and affiliated facilities with research, development and testing abilities as determined central competent authority.
Commercial Facilities	Article 20	I. Large logistics centers that meet the following requirements: (1) The land area applied for development shall be more than 2 hectares. (2) The overall investment (excluding cost of land) shall amount to more than NT$600 million. II. International exhibition centers that meet the following requirements: (1) The exhibition center shall have a base area of more than 3.5 hectares and more than 1,200 standard exhibition booths installed. (2) The exhibition center shall have more than 1,000 parking spaces for cars/sedans. III. International convention centers that meet the following requirements: (1) The convention center shall have a base area of more than 1.5 hectares, a grand conference hall with a seating capacity of more than 2,000 and more than two

		conference rooms each with a seating capacity of more than 800. (2) The convention center shall have more than 400 parking spaces for cars/sedans.
Hi-Tech Facilities	Article 21	Facilities under this Article are not included.
Development Of New Towns	Article 22	Facilities under this Article are not included.
Agricultural And Resource Recycling And Reuse Facilities	Article 23	I. Agricultural products wholesale markets where the overall investment (excluding cost of land) amounts to more than NT$600 million while the land area applied for development shall be more than 2 hectares. II. Agricultural facilities established pursuant to Paragraph 5, Article 21 of these Enforcement Rules of Act for Promotion of Private Participation in Infrastructure Projects (except for recreational agricultural facilities) and meet any one of the following requirements: (1) Facilities shall be established pursuant to Subparagraphs 1, 2 and 4, Paragraph 1, Article 8 of the Act and the overall investment (excluding cost of land) shall amount to more than NT$300 million. (2) Facilities shall locate in the remote areas specified by the competent central authorities of the relevant industries and established pursuant to Subparagraph 6, Paragraph 1, Article 8 of the Act where the overall investment (excluding cost of land) amounts to more than

		NT$300 million. (3) Facilities shall be established in accordance with Subparagraph 6, Paragraph 1, Article 8 of the Act where the overall investment (excluding cost of land) amounts to more than NT$1 billion. III. Agricultural facilities established pursuant to Subparagraphs 1 and 2, Paragraph 6, Article 21 of these Enforcement Rules of Act for Promotion of Private Participation in Infrastructure Projects and any one of the following requirements: (1) Facilities for value-added activities of fishing where the overall investment (excluding cost of land) amounts to more than NT$200 million. (2) Facilities for accommodation, food and beverage, exhibition and ocean-related recreation and education where the overall investment (excluding cost of land) amounts to more than NT$300 million.
Government Office Buildings	Article 24	Government office buildings where the overall investment (excluding cost of land) amounts to more than NT$1 billion.
Digital Infrastructure	Article 25	AI Computing Infrastructure that meets the following requirements: I. The overall investment (excluding cost of land) amounts to more than NT$300 million. II. The aggregate computing capacity shall attain a threshold of no less than 15 PetaFLOPS, calculated on the basis of Single Precision (FP32)

		performance.
