Article 7

Imported air cargos of fresh foods, perishable goods, live animals, plants, time-critical news and information, hazardous goods, radioactive element, ashes, corpses, bulk cargos, or goods permitted examined and released alongside aircraft by the Customs with special consideration, shall be allowed for pre-entry declaration, provided all required documentation is presented by the concerned duty-payer, and shall be released pursuant to Article 18 of the Customs Act. The respective import manifest may be processed after the arrival of the aircraft and the said examination and release are done.

Exported air cargos of fresh foods, perishable goods, live animals, plants, time-critical news and information, hazardous goods, oversize goods that a warehouse cannot accommodate, or goods permitted examined and released alongside aircraft by the Customs with special consideration, shall be allowed for pre-entry declaration, provided all required documentation is presented by the concerned exporter.

Article 7-1

In the event where the imported goods are approved by the Customs to be carried through pipes instead of transport means, the duty-payer shall make a pre-declaration with the Customs a month before the importation along with the supporting documents of the estimated quantity of the aforementioned import, while an import manifest can be exempted.

Where the goods referred to in the preceding paragraph have been released upon payment of import taxes and duties or deposits, the duty-payer shall submit the invoices and other supporting documents within the period announced by the Ministry of Finance, for the Customs to collect the unpaid taxes or to refund the deposits based on the quantity of the imported goods.

Article 8

These Regulations shall take effect on the date of its promulgation.
