The health warning label on advertising or promotional materials of alcohol products set forth in Article 37 of the Act shall continuously appear thereon and independently occupy 10% of the space of the entire page, and the space for the written characters shall not be smaller than 50% of the space of the background. In the case of TV or other image commercials or promotion, the warning shall appear in an overlapping manner all the time.

In the case of merely sound advertisement or promotion, the health warning shall be clearly disclosed by sound.

The color of the warning set forth in the preceding Paragraph shall be in contrast with the background color of the advertising or promotional materials.

#### Article 15

With regard to the provision where advertising or promotion of alcohol shall not contain deceptive, exaggerated, distorted facts or contents that are easily misinterpreted, set forth in Article 37, Subparagraph 4 of the Act, it includes that the advertising or promotion shall not have false or misleading statements or use translation wording, labels of the same category, type, and style, other similar labels, or additional remarks to state that the alcohol is produced from somewhere else. This provision shall apply to those with correct labels of the actual place of origin as well.

#### Article 16

The central, municipal and county/city competent authorities shall set up investigation taskforce(s) to carry out the inspection and seizure activities under Chapter VI of the Act.

#### Article 17

The central competent authority shall conduct the spot check set forth in Article 38, Paragraph 1 of the Act on a random basis, whereas municipal and county/city competent authorities shall do the same at least once every year.

When conducting the spot check under the preceding Paragraph, the inspection officials shall check whether any alteration to the particulars originally declared by a tobacco or alcohol enterprise has been made, or the scope of permission corresponds with its actual business items, or the tobacco or alcohol label complies with or violates the Act.

When conducting the spot check under Paragraph 1, a municipal or county/city competent authority may, in consideration of the actual circumstances, divide its jurisdiction into several areas and check different items at different areas, and then file the results of such spot check with the central competent authority for reference.

Other necessary matters set forth in Article 38, Paragraph 1 of the Act shall include the health inspection reports concerning the nicotine and tar content of tobacco or alcohol issued by the laboratories recognized by the central competent authority with public announcement.

#### Article 18

Where the competent authority takes samples of tobacco and/or alcohol products for examination in accordance with Article 38, Paragraph 1 of the Act, said samples shall be gratuitous. The competent authority shall give the examinee a recipe for the samples.

#### Article 19

After samples of tobacco and/or alcohol products for examination are taken in accordance with Article 39, Paragraph 1 of the Act, the health authority and the tobacco and/or alcohol enterprises concerned shall jointly sign the seals thereon. After the inspection officials give the examinee a receipt for the samples and each of these samples is given a specific code by the inspection officials, such sealed samples shall be collected by the health authority for examination. Upon the conclusion of examination, the enterprises and the competent authorities shall be informed of the results thereof.

#### Article 20

The identification documents to be presented by the inspectors under Article 40 of the Act are as follows:

1. Official letter issued by the authority concerned indicating the term of inspection and the name and title of the inspection official.
2. Employee ID or pass of the inspection official or any other document sufficient to prove that he/she is employed by the authority.

#### Article 21

Where the competent authority takes samples for examination in accordance with Article 41, Paragraph 1 of the Act, Article 19 shall apply mutatis mutandis. The competent authority shall, within three days, commission the health authority or relevant authorities or institutions to examine samples delivered for examination in accordance with Article 41, Paragraph 2 of the Act.

#### Article 22

The competent authority shall seize all suspicious illegal or disqualified tobacco and alcohol products found in any crackdown in accordance with Paragraph 1, Article 41 of the Act, or seal up and deliver the same to the original owner or an appropriate person for safekeeping under oath, in case it is inconvenient for the authority to transfer or difficult to keep such products or if samples thereof must be taken for inspection.

When conducting the seizure or sealing-up under the preceding Paragraph, the competent authority shall record the time and place of crackdown, the quantity, the facts of suspected violation, the source, the name of the manufacturer or importer, the day of manufacture, importation or purchase, the layout of the scene or the storage situation of the warehouse, and have the suspect or the interested party(ies) present at the scene sign or seal the records. If the suspect or such interested party refuses to do so, the fact shall be indicated thereon.

#### Article 23

The "tobacco and alcohol that will seriously injure people's health" as referred to in Paragraph 1, Article 42 of the Act shall mean tobacco and alcohol contaminated or containing ingredients other than the required ones, which are hazardous to human health and have caused or are likely to

cause illness to users.

If any seriously injurious tobacco and alcohol is located, the health authority shall give immediate notice to the central, municipal or county (city) competent authority for taking necessary actions.

Upon receiving the notice set forth in the preceding Paragraph, or if any seriously injurious tobacco and alcohol is located, the municipal or county (city) competent authority shall seal up or detain said tobacco and alcohol after checking and recording the finished goods and half-finished goods and shall transfer the case to the judicial authority. Upon announcement of the central competent authority's prohibition against sale of such tobacco or alcohol, the municipal or county (city) competent authority shall conduct spot check of tobacco and alcohol retailers within its jurisdiction so as to ascertain that they have suspended selling the same.

With regard to the tobacco and alcohol set forth in the preceding two paragraph, the municipal or county (city) competent authority shall make public announcement to stop smoking or drinking, order the tobacco and alcohol manufacturers or importers to retrieve and destroy such tobacco and alcohol within a prescribed period, and shall notify the central competent authority. After the prescribed period expires, if any enterprise is found failing to retrieve and destroy said tobacco and alcohol, it shall be punished in accordance with Article 56, Paragraph 1, Subparagraph 12 and Paragraph 2 of the Act.

#### Article 24

The "other disposal manners" set forth in Article 45 of the Act shall refer to any of the followings:

1. Sale by tender;
2. Sale by tender for subsequent re-export;
3. Donation; or
4. For use in research or experiment by academic institutions.

Except for those easily get mildewed or deteriorated, confiscated or appropriated tobacco or alcohol products shall be disposed in accordance with the preceding Paragraph only after the final decision on confiscation or appropriation is handed down.

Tobacco or alcohol confiscated or appropriated due to trademark infringement shall be destroyed

For tobacco or alcohol products disposed of in the manner set forth in Paragraph 1, Subparagraph 1, the document issued by the inspector commissioned by the central competent authority shall be obtained certifying that the nicotine or tar content thereof is within the limit set forth in the Tobacco and Alcohol Control Act or up to the sanitation standard for alcohol shall be obtained.

For tobacco or alcohol products disposed of in the manner set forth in Paragraph 1, Subparagraph 1, the label thereon must meet the requirements in the applicable Acts and regulations when the products are assigned or sold by the successful bidder.

The municipal or county (city) competent authority shall file the disposal situations of confiscated and appropriated tobacco or alcohol products with

the central competent authority for reference once every three months.

#### Article 25

The competent authority may commission relevant authorities or institutions to dispose of confiscated or appropriated tobacco or alcohol products, and shall handle the disposal expenses and proceeds in accordance with the budget procedures.

#### Article 26

Except that penalties of fines set forth in Article 56, Paragraph 1, Subparagraphs 2 to 5, Subparagraph 8, and Article 57, Paragraph 1, Subparagraph 1 of the Act shall be enforced by the central competent authority, the penalties set forth in the Act shall be enforced by the municipal or county (city) competent authority.

#### Article 27

Where a fine is imposed on a tobacco or alcohol manufacturer or importer and said enterprise is informed to retrieve and take supplementary measures within a prescribed period in accordance with Article 54, Paragraph 1 of the Act, if the enterprise fails to comply within the deadline, the municipal or county (city) competent authority shall apply to the central competent authority to terminate the manufacture or import for more than six months and less than one year, and shall appropriate the tobacco or alcohol.

The disposition of appropriation set forth in the preceding paragraph shall be conducted by the municipal or county (city) competent authority.

After a fine is imposed on a tobacco or alcohol manufacturer in accordance with Article 56, Paragraph 1, Subparagraph 7 of the Act, the municipal or county (city) competent authority shall apply to the central competent authority to abolish the permission in accordance with Article 56, Paragraph 3 of the Act.

#### Article 28

Where the central competent authority revokes or abolishes a tobacco or alcohol manufacturer's permit or forbids or suspends the ethyl alcohol production during a certain period, the central competent authority shall notify the local municipal or county (city) competent authority in conjunction with the competent tax collection agency to dispatch personnel to check the inventory and record the finished goods and half-finished goods of tobacco or alcohol and take the goods under supervision.

After the central competent authority abolishes the permit or forbids or suspends the tobacco or alcohol production during a certain period, the tobacco or alcohol manufacturer may, with regard to those finished goods completed before the day when the permit is abolished or when the production is forbidden or suspended, pay the taxes and sell said goods. The production of the remaining half-finished goods of tobacco or alcohol shall not be continued. Where a tobacco or alcohol manufacturer's permit is revoked, in order to maintain public interest or avoid the beneficiaries'

property loss, the provision hereof shall apply mutatis mutandis.

#### Article 29

Fees collected by the municipal or county (city) competent authority from service charges for carrying out matters entrusted by the central competent authority in accordance with Article 24 of the Act shall be handed over to the National Treasury. The central competent authority shall handle the entrustment fees in accordance with the budget procedures.

#### Article 30

Formats of the documents set forth in the Act and these Enforcement Rules shall be formulated by the central competent authority.

#### Article 31

The Enforcement Rules shall be enforced as of the date of promulgation. Article 5, Paragraph 1, Subparagraph 6 of the Rules amended and promulgated on November 9, 2005 shall be enforced from January 1, 2006. Article 3, Subparagraph 8 of the Rules amended and promulgated on May 16, 2008 shall be enforced from May 16, 2008. Article 3, Subparagraph 5 and 7 of the Rules amended and promulgated on September 16, 2010 shall be enforced from September 16, 2010.
